

1 any material that was formerly included in the appendix. No new matter is added,
2 since this subject matter was submitted as part of the original application. A
3 substitute specification is enclosed. Applicant respectfully requests that the
4 specification be substituted for the original specification and that the above
5 amendment for "Related Applications" be made after the substitution.

6
7 **In the Claims:**

8 Kindly cancel ~~claims 1-36~~ and ~~40-49~~ without prejudice.
